Camper Release: Please list the people allowed to pick up your child. During pick-up they will need to have your child's pick up card in their window. _____

Campers in Pool

Campers will have access to the pool on Mondays and Thursdays. Two day and Three day campers will have access to the pool once a week. Full week campers will have two pool days. For the safety of all the campers, we need to know your child's swimming ability. Children over 5 years old are not allowed in the tot pool. The depth of the large pool starts at 4' and goes up to 12' in the deep end. Campers can bring arm floaters and/or a life jacket to swim in. All children should keep sunscreen in their backpack. Counselors can assist them in applying it during pool time and time spent outdoors.

Would you like your child to participate in the weekly swim days? _____

Does your child have the ability to swim well on his/her own? _____ If you answered no, then you are **required** to send your child with a **life jacket** to camp. Please make sure your child has their name on the inside of their life jacket. If your child does not have a life jacket, they will not be able to enter the pool area.

Can your child use the diving boards in the deep end of the pool? _____
