Camp: \_\_\_\_\_

Before / After

**Campers in Pool**

Campers will have access to the pool on Mondays and Thursdays. Two day and Three day campers will have access to the pool once a week. Full week campers will have two pool days. For the safety of all the campers, we need to know your child's swimming ability. Children over 7 years old are not allowed in the tot pool. The depth of the large pool starts at 4' and goes up to 12' in the deep end. Campers can bring a life jacket to swim in. All children should keep sunscreen in their backpack. Counselors can assist them in applying it during pool time and time spent outdoors.

---

Would you like your child to participate in the weekly swim days? \_\_\_\_\_

Does your child have the ability to swim well on his/her own? \_\_\_\_\_ If you answered no, then you are **required** to send your child with a **life jacket** to camp. Please make sure your child has their name on the inside of their life jacket. If your child does not have a life jacket, they will not be able to enter the pool area.

Can your child use the diving boards in the deep end of the pool? \_\_\_\_\_

Additional Information you would like us to know about your child and the pool: \_\_\_\_\_
