Before / After

Campers in Pool

For the safety of all the campers, we need to know your child's swimming ability. Campers can bring a life jacket to swim in. The depth of the large pool starts at 4' and goes up to 12' in the deep end. Children over 7 years old are not allowed in the tot pool. All children should keep sunscreen in their backpack. Counselors can assist them in applying it during pool time and time spent outdoors.

Would you like your child to participate in the weekly swim days? _____

Does your child have the ability to swim well on his/her own? _____ **If you answered no, then you are required to send your child with a life jacket to camp.** Please make sure your child has their name on the inside of their life jacket. If your child does not have a life jacket, they will not be able to enter the pool area.

Can your child use the diving boards in the deep end of the pool? _____
